- Budapest, XIII. District, Váci út 81-85 (within walking distance from Metro station Árpád hid)

Affiliate Name:

- ExxonMobil Business Support Center Hungary Ltd.

Employment Type:

- Students/Graduates Seeking Full-Time

ExxonMobil Business Support Center Hungary is part of a dynamic and expanding world class organization established in 2004 in Hungary with more than 1,300 people. Being part of one of the world's largest corporations, we have a multicultural work environment with opportunities to work on state of the art systems and business processes. From Budapest, we handle a wide variety of IT services and are looking for dedicated, competent and skilled people to be part of our IT team.

As a new employee, you can look forward to working in an exciting global environment with team members located across the globe. Your job assignment in IT will be matched with your interests, academic background and experience. A technical mentor will be assigned to help you get started and you will be working beside more experienced staff members who are eager to support and help you along the way.

We have openings for graduate positions in the field of Information Technology.
